

Scotland's Futures Forum, in partnership with NESTA, will deliver a series of innovative pilot projects with older people in Scotland.

Scotland's ageing population have a wealth of experience and imagination. This programme seeks to support older people to develop innovative solutions to their own changing needs for the future.

## Programme Manager – Age Unlimited

*Scotland*

*£30 – 35k per annum*

*Three year fixed term contract*

This is an exciting and challenging new post offered by Scotland's Futures Forum.

We need a passionate and determined person to help us promote active ageing through this project. A key role of this post will be to provide a supportive process, moving early stage ideas through to venture development and funding.

You will have understanding and empathy with the needs of older people, and practical experience of working with community groups to develop social enterprises. You will be confident in dealing with a wide range of people and have strong project management skills. You will be solution orientated with finely tuned financial and communication skills.
